Looking for a job in healthcare? Come Work at St. Luke's!

Health Career Exploration Program will offer 30 High School Juniors and Seniors employability skills training and paid work experience in a health care setting at a St. Luke's University Health Network facility. Your work site will be selected by the program staff.
THIS IS A CLINICAL EXPERIENCE - you will be working with patients.

Applicant requirements:

- Between the ages of 16-18 years old
- Junior or Senior in High School
- Resident of Lehigh or Northampton Counties
- Enrolled in the Bethlehem OR Allentown School District
- Must meet St. Luke's pre-employment requirements
- Must meet Workforce Board Lehigh Valley eligibility requirements
